THE FIRST MUSICAL INSTITUTE IN AMERICA. branches of Vocal and Instrumental Music and the mouse Languages.

THIS CONSERVATORY, established upon identical principles and ranking with the first of its kind in Europe, poscesses the combination of advantages necessary for a rapid acquisition of that superior numeral education for which its sister institutions abroad are so justly esiebrated. By bringing together the abrest instructors of Europe and America and concentrating their genies and skill at one fountain head and concentrating their genies and skill at one fountain head a Musical University has been formed, furnishing the same facilities for the study of music, at a price within the ranch of all, as universities affect for the attainment of the highest standard of knowledge in the various branches of learning and science.

TO AVOID CONFUSION in appointing the DAYS and HOURS of instruction applications for admission will be RECEIVED ONLY at the General Concervatory offices, No. 520 BROADWAY, near Twelfin street, New York, No. 128 (OURT STREET, near State street, droubly).
